DEPARTURES.

11:00 a.m.	3:00 p.m.
12:00 m.	4:30 p.m.

THE LEGISLATIVE COUNSEL BUREAU.

This bureau was organized in 1914 under the authority of Chapter 322 of the Laws of 1913. It is, in effect, an instrumentality of the Legislature. Its business is to prepare or assist in the preparation or amendment of legislative bills and to "give such consideration to and service concerning any bill before the Legislature which circumstances will permit, and which is in any way requested by the Governor of the State or the Senate or the Assembly, or any committee of the Legislature having such bills before it for consideration." This, of course, includes investigations and examinations as to constitutionality, etc. The chief of the bureau also acts as aid to legislative committees and it is his duty to "advise as occasion may arise, as to needed revision of the statutes." The bureau is located in room 48, second floor of the Capitol.

The Legislative Digest, being prepared by the Legislative Counsel Bureau, will contain as an appendix all companion bills introduced in the Senate and Assembly and will be ready for distribution February 24, 1921.

GEO. B. BUSH

Legislative Counsel

FREDERICK B. WOOD

Assistant Counsel

JOHN D. MCGILVRAY

Assistant Counsel

STATE LIBRARY LEGISLATIVE REFERENCE SERVICE.

Information on pending legislation and assistance in consulting the laws of other states and countries are given members by the Law and Legislative Reference Department of the California State Library, first floor, Capitol.

Bills and journals of previous sessions of the California Legislature, reports of State departments, the statutes and court reports of other American states, the United States, Great Britain, Canada and Australia and compiled laws on a wide variety of subjects are available for use. The bills of current sessions of the more important state legislatures and the bills, reports, calendars and proceedings of the current session of Congress are also on file.

An act to repeal an act entitled "An act regulating and limiting the appropriation of water and the use of water for generating electricity or electrical or other power, fixing the terms and conditions and providing the manner and procedure upon which water or the use of water for generating electricity or electrical or other power may be appropriated and providing for the renewal of licenses granted hereunder, providing for the issuing of licenses for water or the use of water for generating electricity or electrical or other power and limiting rights under such licenses, prohibiting the appropriation of water or the use of water for generating electricity or electrical or other power for a longer period than forty years; limiting the right to water or the use of water appropriated for generating electricity or electrical or other power to the specific purposes for which it is appropriated; declaring certain water to be unappropriated; providing for the granting of licenses to divert and store surplus and flood waters for generating electricity, or electrical or other power and declaring what is surplus water; reserving to the State the right to regulate and fix the rates of compensation for which electricity or electrical or other power generated by water or the use of water appropriated may be sold, rented or distributed; reserving to the State the right to impose charges for water or the use of water appropriated for electricity or electrical or other power and fixing fees and charges; preventing the combination or formation of any unlawful trust by appropriators of water or the use of water for generating electricity or electrical or other power and providing a penalty therefor; creating and establishing a State Water Commission; providing the powers and duties of said Water Commission and fixing their compensation; compelling persons, firms, associations and corporations supplying electricity or electrical or other power generated by the use of appropriated water to keep their plants and systems in repair and requiring an annual report from them to said Water Commission; providing for the appointment and compensation of employees and assistants to said Water Commission; limiting the expenses of said Water Commission and providing for the payment thereof; making an appropriation to carry out the provisions of this act, fixing the place of business of said Water Commission; declaring the diversion of water or use of water for generating electricity, or electrical or other power, otherwise than provided in this act, to be a misdemeanor and providing a penalty therefor, and also providing penalties for other violations of this act, repealing an act entitled 'An act regulating and limiting the appropriation of water for generating electricity or electrical or other power; fixing the terms and conditions and providing the manner and procedure upon which water for generating electricity or electrical or other power may be appropriated and providing for the renewal of licenses granted hereunder; providing for the issuing of licenses for the use of water for generating electricity or electrical or other power and limiting rights under such licenses; prohibiting the appropriation of water or the use of water for generating electricity or electrical or other power for a longer period than twenty-five years; limiting the right to the use of water appropriated for generating electricity or electrical or other power to the specific purposes for which it is appropriated, declaring certain water to be unappropriated, providing for the granting of licenses to divert and store surplus and flood waters for generating electricity, or electrical or other power and declaring what is surplus water, reserving to the State the right to regulate and fix the rates of compensation for which electricity or electrical or other power generated by water appropriated may be sold, rented or distributed; reserving to the State the right to impose charges for the use of water appropriated for electricity or electrical or other power and fixing fees and charges, preventing the combination or formation of any unlawful trust by appropriators of water or the use of water for generating electricity or electrical or other power and providing a penalty therefor; creating and establishing a State Board of Control; providing the powers and duties of said Board of Control and fixing their compensation; compelling persons, firms, associations and corporations supplying electricity or electrical or other power generated by the use of appropriated water to keep their plants and systems in repair and requiring an annual report from them to said Board of Control; providing for the appointment and compensation of employees and assistants to said Board of Control, limiting the expenses of said Board of Control and providing for the payment thereof; fixing the place of business of said Board of Control; declaring the diversion or use of water for generating electricity, or electrical or other power, otherwise than provided in this act, to be a misdemeanor and providing a penalty therefor, and also providing penalties for other violations of this act; repealing all acts and parts of acts in conflict with this act,' approved April 8, 1911, and all acts and parts of acts in conflict with this act," approved January 2, 1912.
